

STATE OF NORTH CAROLINA

COUNTY OF HENDERSON

**AMENDED SUPPLEMENTAL PROCLAMATION OF EMERGENCY
FOR HENDERSON COUNTY AND ORDER**

Pursuant to authority granted to North Carolina counties under the North Carolina Emergency Management Act (Article 1 of Chapter 166A of the North Carolina General Statutes), and also pursuant to authority granted by Article II of Chapter 76 of the Henderson County Code, the Henderson County Board of Commissioners (the "Board") makes the following findings:

A. The Board adopted a Supplemental Proclamation of Emergency for Henderson County and Order (the "Board's Order") on March 27, 2020, to be effective on March 28, 2020.

B. Subsequent to the Board's action, the Governor of North Carolina adopted Executive Order 121 ("EO121").

C. Both the Board's Order and EO121 are similar, in that require the citizens of Henderson County to "stay at home", subject to certain provisions.

D. It would ease the burden on the citizens of Henderson County to have certain provisions of the Board's Order identical to similar provisions of EO121.

NOW, THEREFORE, the Board hereby amends the Board's Order, which as amended now reads as follows:

**SUPPLEMENTAL PROCLAMATION OF EMERGENCY
FOR HENDERSON COUNTY AND ORDER**

Pursuant to authority granted to North Carolina counties under the North Carolina Emergency Management Act (Article 1 of Chapter 166A of the North Carolina General Statutes), and also pursuant to authority granted by Article II of Chapter 76 of the Henderson County Code, and pursuant to and supplementing the Proclamation of State of Emergency for Henderson County declared March 14, 2020, at 6:00 p.m., the following findings are hereby made:

Findings:

A. The undersigned issued a Proclamation of State of Emergency for Henderson County (the "March 14 Proclamation"), covering all the unincorporated areas of Henderson County, and, with the consent of the City of Hendersonville, the Town of Laurel Park, the Town of Fletcher, the Town of Mills River and the Village of Flat Rock, the incorporated areas of those municipalities.

B. Since the March 14 Proclamation, the President of the United States and the Governor of North Carolina have issued new Orders with provisions including greater restrictions on mass gatherings and certain other activities.

C. Consultation has been made with the members of the Board of Commissioners of Henderson County, and with the City of Hendersonville, the Town of Laurel Park, the Town of Fletcher, and the Town of Mills River, and the Village of Flat Rock, with local public health officials and with leaders of Margaret R. Pardee Memorial Hospital and Advent Health Fletcher Hospital.

D. Since the March 14 Proclamation, many residents of the county have been tested for the COVID-19 virus. Initially, there was a connection and correlation between positive results and out of county travel or contact with someone known or believed to have been positive; however as of this date there is increasing evidence of cases in Henderson County and neighboring counties, including a significant and increasing number of suspected cases of community transmission and likely further significant increases in transmission to citizens of Henderson County.

E. In areas fighting COVID-19 there is a severe shortage of medical facilities, equipment, supplies and personnel, and there is an urgent need to act to prevent or alleviate such a shortage in Henderson County.

F. It is essential to slow viral transmission among our citizens as much as possible to protect the most vulnerable and to prevent the health care system of Henderson County from being overwhelmed, and thus unable to provide proper and adequate treatment.

G. Many individuals who contract the virus display no symptoms or have mild symptoms which means they may not be aware they carry the virus. People without symptoms can transmit the disease and because evidence shows the disease is easily spread, mass gatherings can result in further transmissions of the virus.

H. As a result of this ongoing public health emergency, after the consultations above, we have determined that if further action is not taken to slow the spread of COVID-19 within Henderson County, there is an imminent threat of, or existing conditions have caused or will cause, widespread or severe damage, injury, or loss of life or property, and public safety authorities may be unable to maintain public order or afford adequate protection for lives or property.

I. It is essential to slow viral transmission in Henderson County as much as possible to protect the most vulnerable, and to prevent the local health care system from being overwhelmed.

J. This Supplemental Proclamation and Order is necessary to slow the rate of spread, and to make the best use of finite medical resources so that their capacity for treatment is not exceeded by the need created by COVID-19. Further, it is the least restrictive action available to meet these necessities based on the evidence at present.

NOW, THEREFORE, IN COMPLIANCE WITH THE PROCLAMATIONS OF THE PRESIDENT OF THE UNITED STATES AND THE GOVERNOR OF NORTH CAROLINA, AND AFTER CONSULTATION WITH PUBLIC HEALTH AUTHORITIES AND THE MUNICIPALITIES OF HENDERSON COUNTY, THE UNDERSIGNED HEREBY SUPPLEMENTS THE MARCH 14 PROCLAMATION AND ORDAINS AS FOLLOWS:

I. The effective area of this Supplemental Proclamation is all the unincorporated areas of Henderson County, and, with the consent of the City of Hendersonville, the Town of Laurel Park, the Town of Fletcher, the Town of Mills River, and the Village of Flat Rock, and the incorporated areas of those municipalities.

II. The purpose of this action is to ensure that the maximum number of people self-isolate in their places of residence to the maximum extent feasible, while enabling essential services to continue to slow the spread of COVID-19 to the maximum extent possible. When people need to leave their places of residence, whether to obtain or perform essential services, or to otherwise facilitate authorized activities necessary for continuity of social and commercial life, they shall at all times reasonably comply with CDC recommendations of Social Distancing Requirements of at least six (6) feet apart. Individuals whose residences are unsafe or become unsafe, such as victims of domestic violence, are permitted and urged to leave their home and stay at a safe alternative location. For purposes of this Proclamation, homes or residences include hotels, motels, shared rental units, shelters, and similar facilities. All provisions of this Proclamation should be interpreted to effectuate this intent.

III. The March 14 Proclamation remains in full force and effect.

IV. North Carolina General Statute 166A-19.31 and Chapter 76 of the Henderson County Code allows the County of Henderson to enact a variety of restrictions and prohibitions as this evolving situation warrants. In accordance therewith, we order the following in addition to the restrictions in Executive Order 120 signed by Governor Cooper on March 23, 2020, which is incorporated by reference herein:
